ADD NAVIGATION BUTTON FOR BOTH DASHBOARDS:

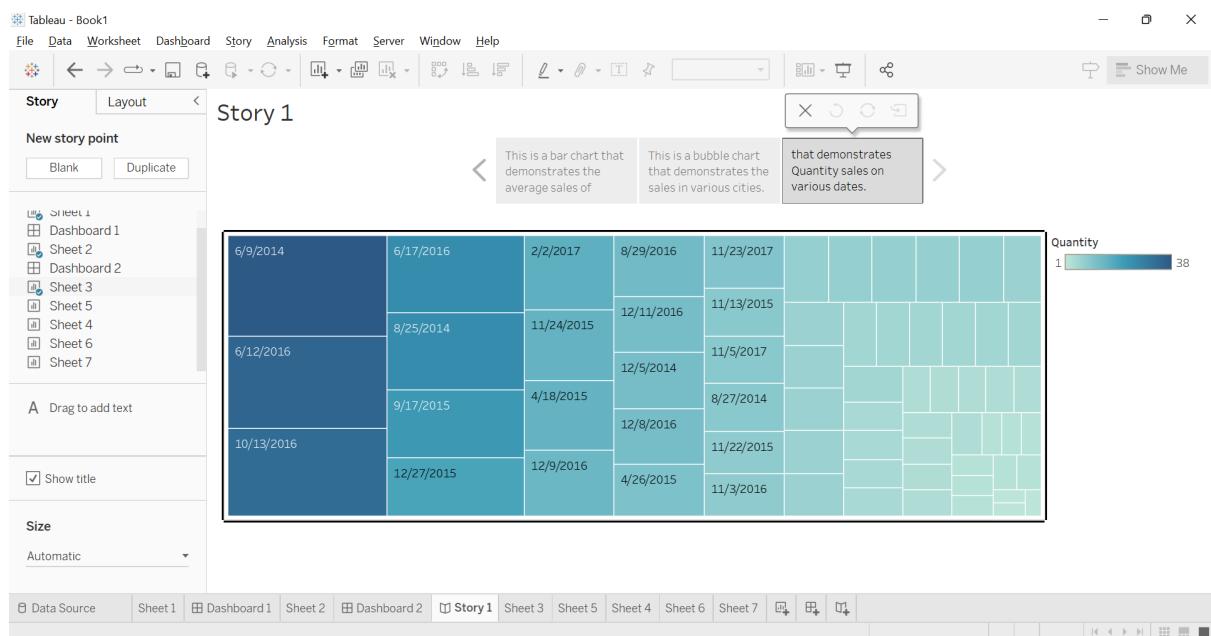

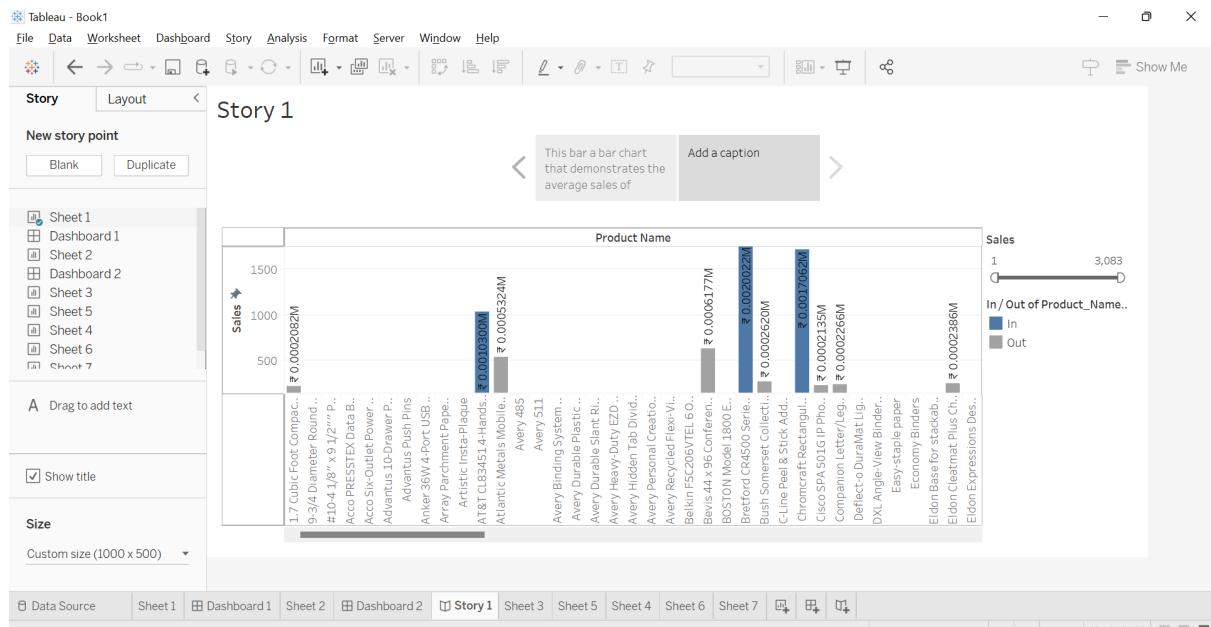

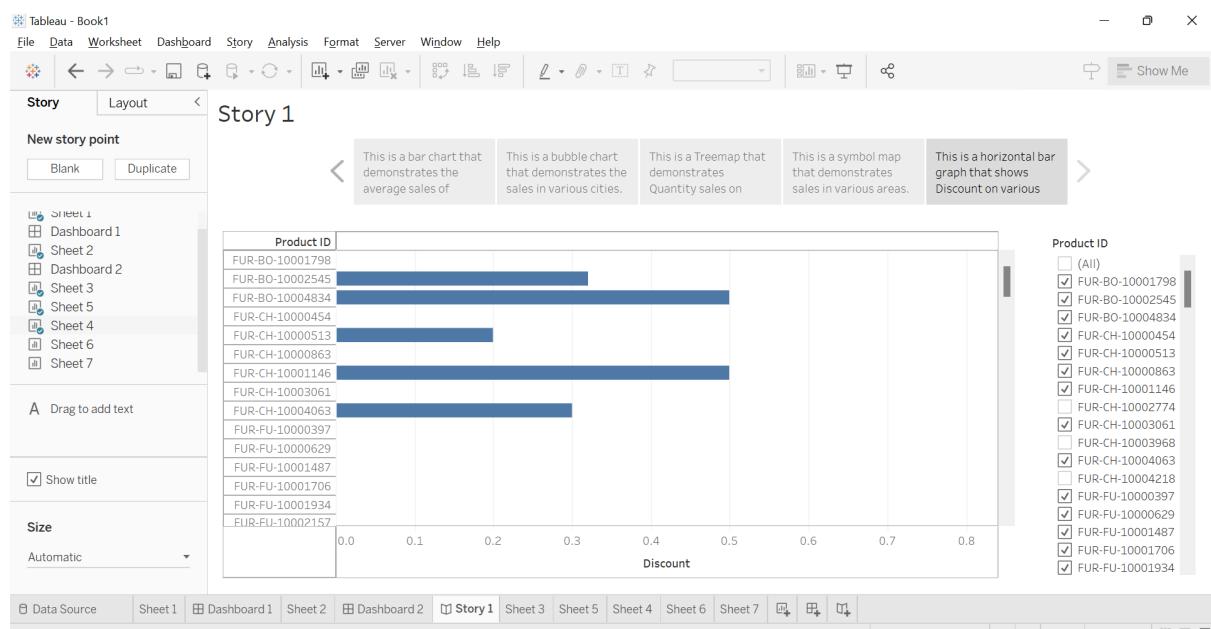

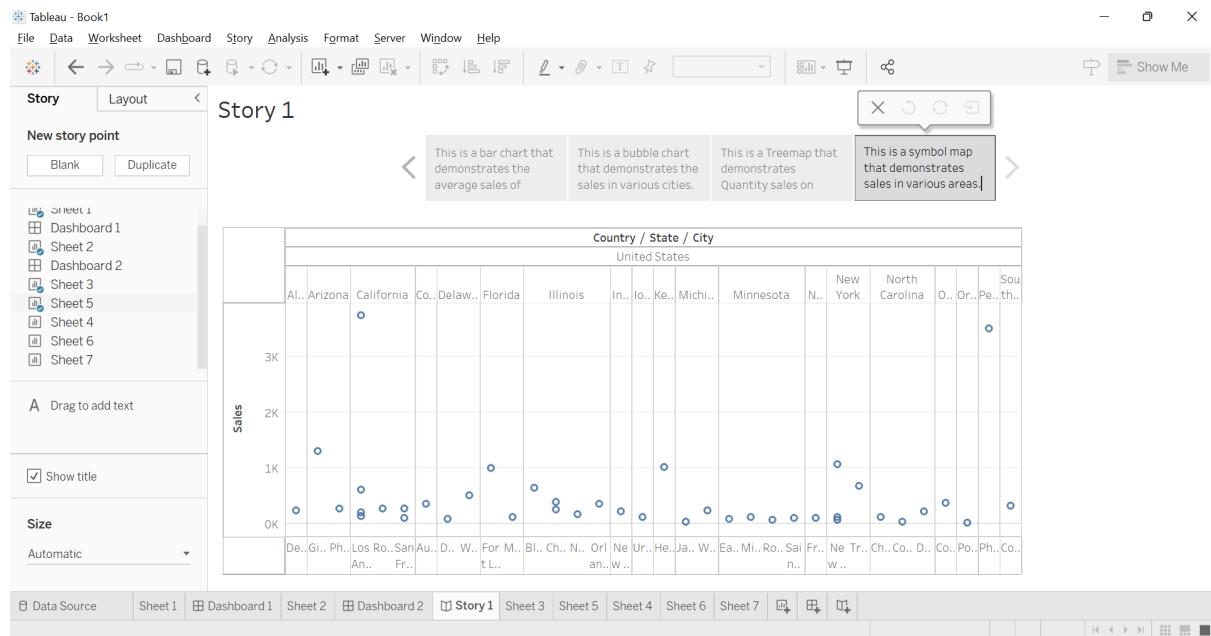

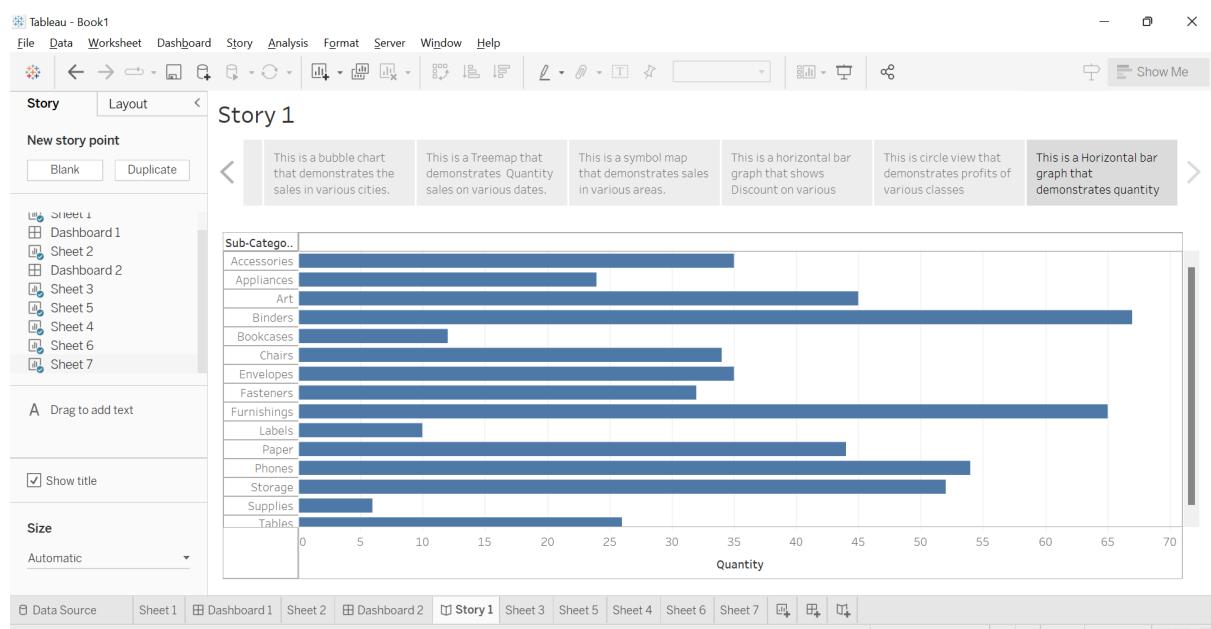

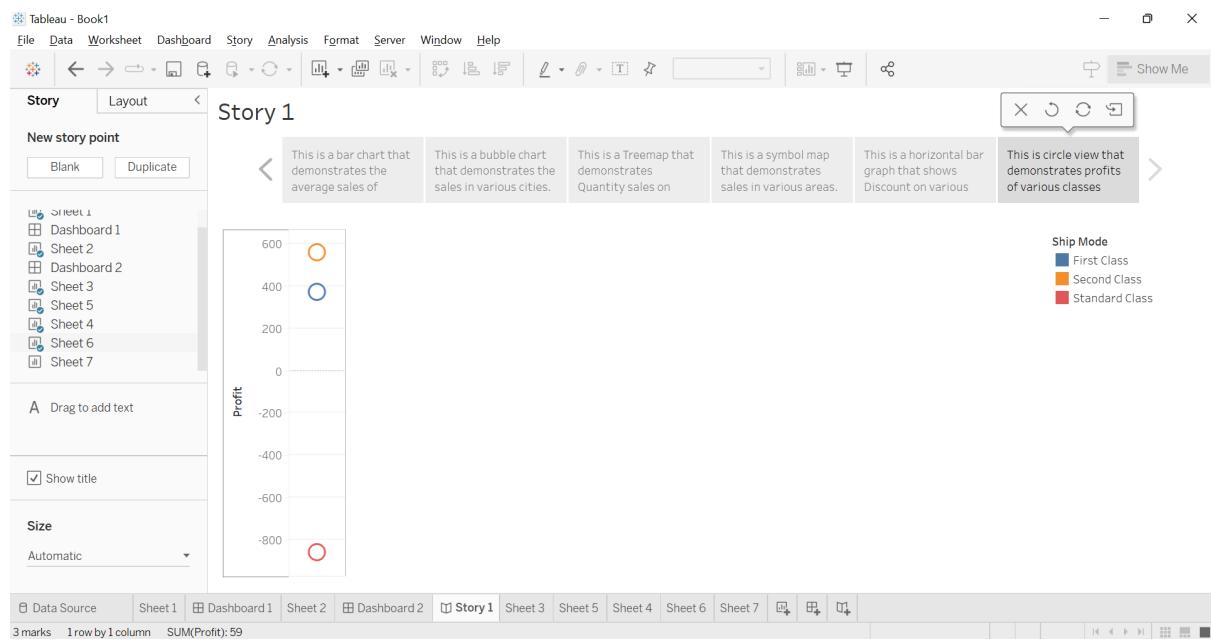

STORY:

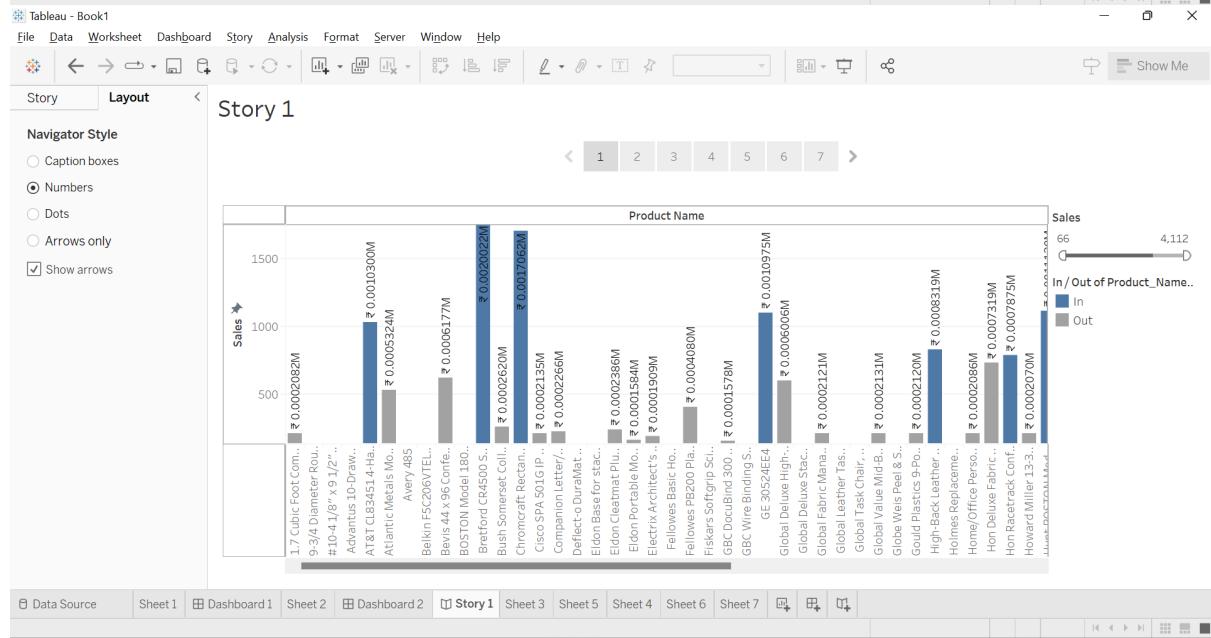

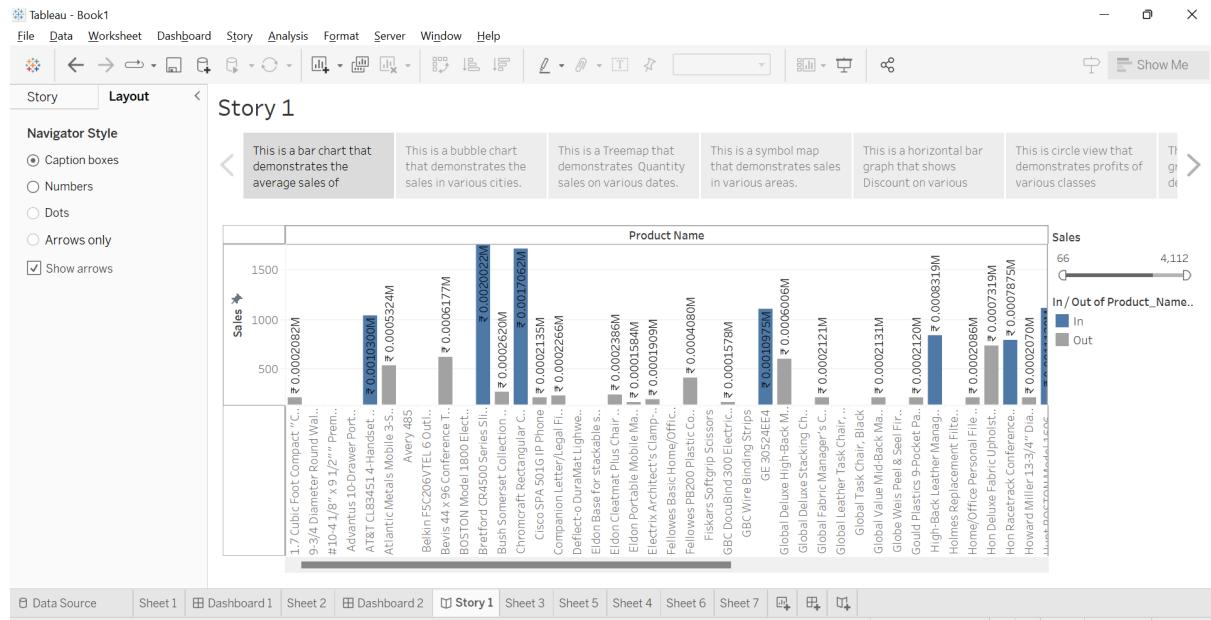

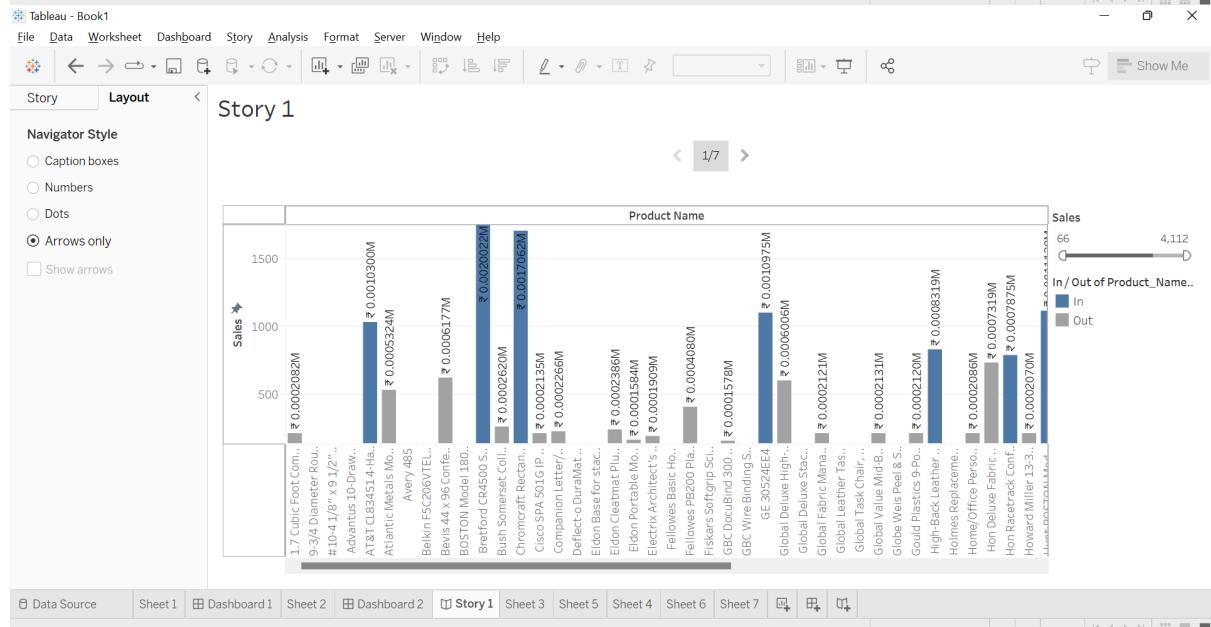

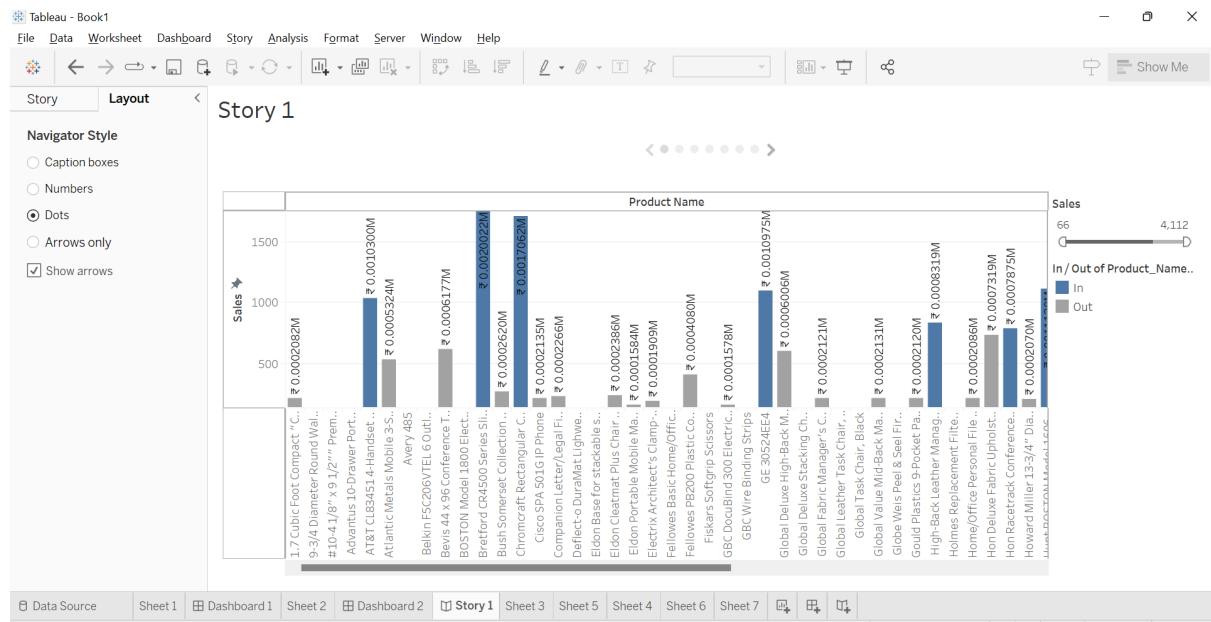

DIFFERENT LAYOUTS:

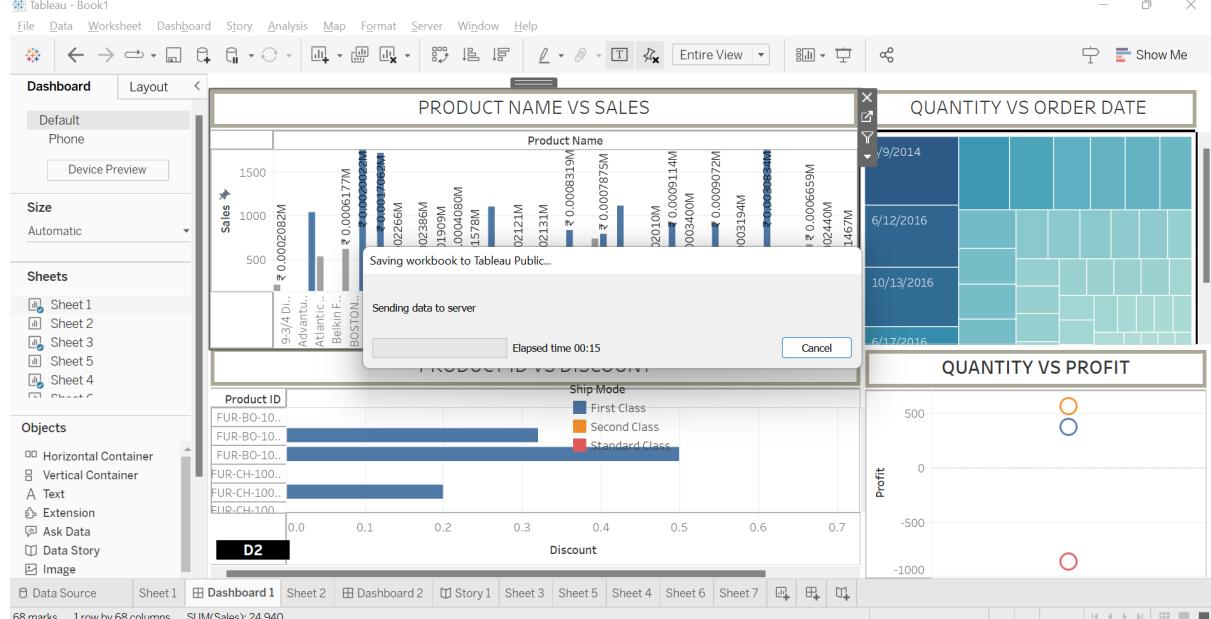

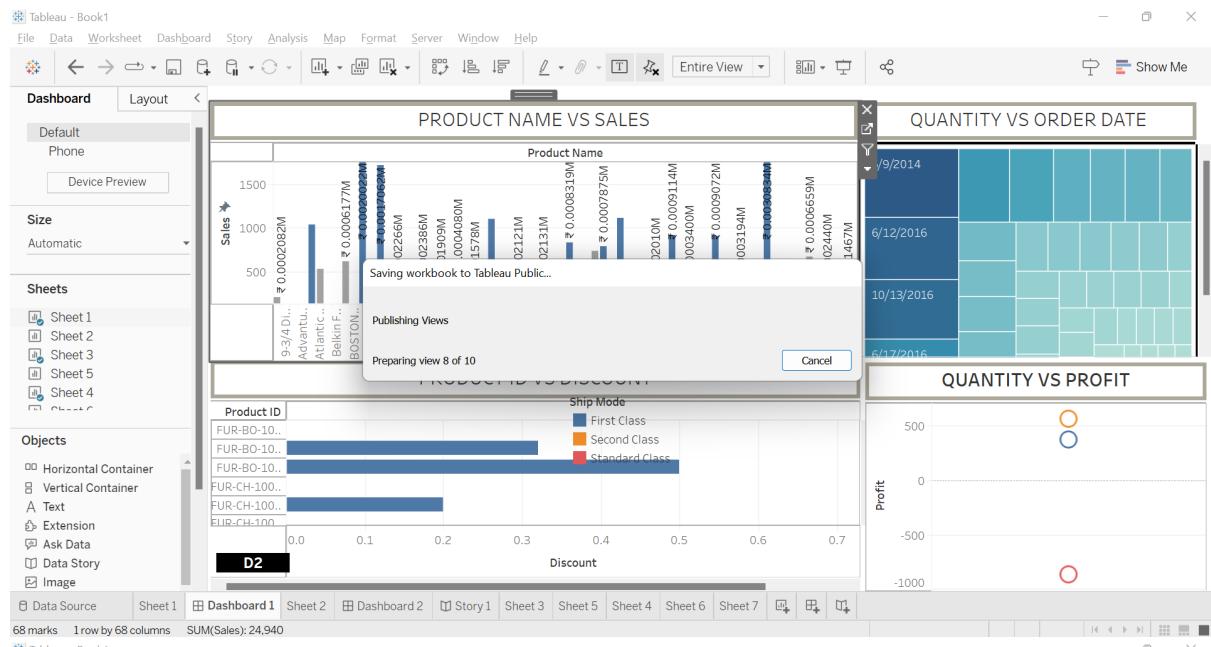

2) Publish the dashboard & story on to tableau public server

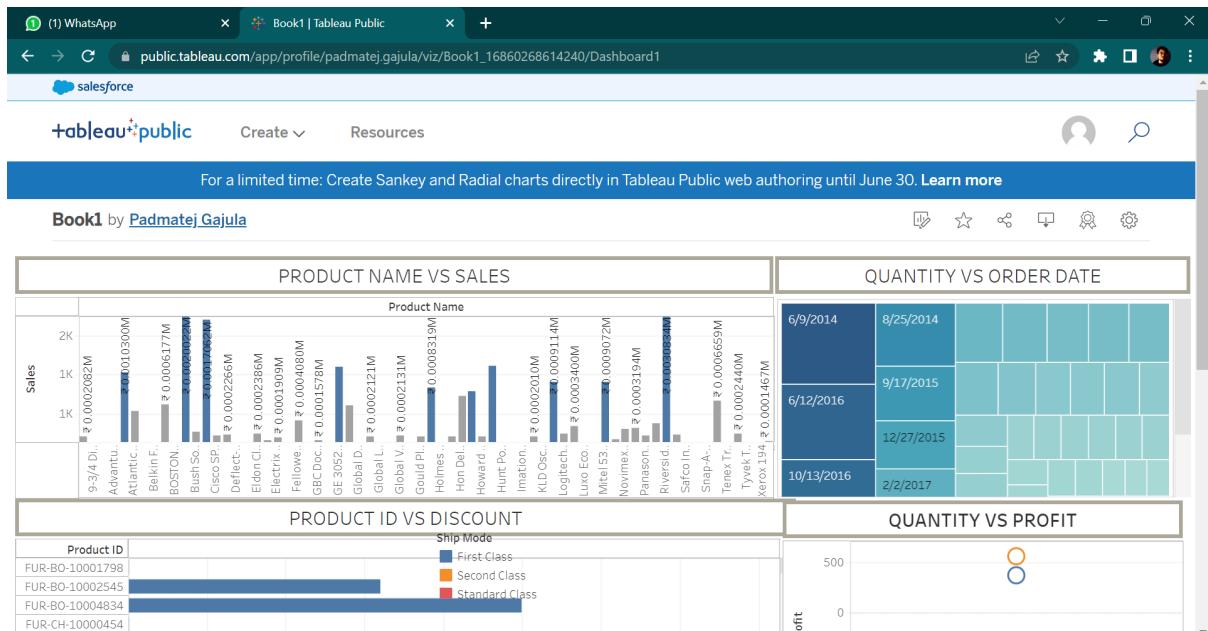

The screenshot shows the Tableau Public Discover page. At the top, there's a banner for creating Sankey and Radial charts directly in Tableau Public web authoring until June 30. Below it, the 'Viz of the Day' section features a bubble chart titled 'Hello World ! 1st month with baby' by Chiaki Ishida. The chart visualizes data collected while caring for a newborn. To the left of the chart is a smaller version of the same bubble chart with the caption: 'This is a bubble chart that demonstrates the average sales of'. On the right, there are links to 'See All' and 'Subscribe'.

The screenshot shows the Tableau desktop interface with a story titled 'Story 1' being published to Tableau Public. The story contains several visualizations: a bar chart, a bubble chart, a treemap, a symbol map, a horizontal bar graph, and a circle view. A share dialog box is open, prompting the user to share via Tableau Server or Tableau Cloud, with the URL http://public.tableau.com entered. The status bar at the bottom shows multiple sheets and the current sheet is 'Story 1'.
